

§ 632.39

20 CFR Ch. V (4–1–08 Edition)

(i) Costs which are not readily assignable to the training or employment cost category should be charged to either the administration or other category as appropriate.

(j) Unemployment compensation costs are allowable for administrative staff hired in accordance with the administrative provisions of this part, and for CSE participants. Unemployment compensation costs are allowed for work experience only where required by State law.

(k) *Travel costs.* (1) The cost of participant travel and staff travel necessary for the administration of programs under the Act are allowable costs, chargeable to the proper cost category, and must follow standard Federal travel requirements.

(2) Travel costs of Native American grantee officials, including staff, board members, and advisory council members are allowable if the travel and costs specifically relate to programs under the Act. These costs will be charged to administration. Travel costs for officials of tribes or organizations belonging to a consortium require advance written approval from the Chief, DINAP, unless they are also officials of the Native American grantee organization.

(3) Travel costs for participants using their personal vehicles in the performance of their jobs are allowable if the employing agency normally reimburses its other employees in this way. These costs shall be charged to supportive services.

(4) Travel costs to enable participants to obtain employment or to participate in programs under the Act are allowable as supportive services.

(l) *Allocation of fixed unit charge.* (1) When contractors or subgrantees bill the Native American grantee with a single unit charge containing costs which are chargeable to more than one cost category, the Native American grantee shall charge these costs to the cost categories in § 632.38. For unit charges such as tuition fees for which the necessary detail cannot be provided, a reasonable estimate of the breakdown of the single unit charge among cost categories in § 632.38 will be sufficient, including for audit purposes. When such unit charges are normally

billed as a single charge and the cumulative amount of such charges to a service provider does not exceed \$25,000 within the grant year, proration will not be required. These costs may be charged to the category receiving the most benefit.

(2) The provisions of this section shall not apply to vendors selling or leasing equipment and attendant service at a commercially established rate to Native American grantees or subgrantees.

(3) In the case of multiuse equipment there must be a proration of costs or, if there is a predominant usage relating to one cost category, a charge shall be made to that category.

(4) Any single cost, such as staff salaries or fringe benefits, which is properly chargeable to more than one cost category shall be prorated among the affected categories.

§ 632.39 Administrative cost plan.

(a) All administrative funds for all programs operated under separate sections of the Act by a Native American grantee may be accounted for separately and be allocated by title and program activity or may be pooled into one fund. Planned expenditures from the fund shall be described in a separate section of the CAP.

(b) The administrative cost plan may be modified during the program year.

§ 632.40 Administrative staff and personnel standards.

(a) *Staffing.* Members of the population to be served shall be provided maximum employment opportunities at all levels of the JTPA grantee administration. Native American grantees shall establish systems to enhance the recruitment and hiring of qualified Indian and Native Americans and to provide opportunities for their further occupational training and career advancement.

(b) *Compensation.* Compensation for administrative staff shall be at levels consistent with generally accepted business practices in the area. Such administrative wages, salaries, and fringe benefits are allowable administrative costs under JTPA.

(c) *Basic personnel standards.* All grantee employees, including participants, engaged in the administration of programs under the Act shall be subject to the policies and methods of personnel administration as formally established by the Native American grantee.

(d) *Bonding.* Native American grantees shall comply with the bonding requirements at 41 CFR 29-70.202b.

§ 632.41 Reporting requirements.

Within 45 days of the end of each quarter, a Native American grantee shall submit to the Chief, DINAP by registered mail, financial and program reports. Accuracy of all reports must be verified by the chief executive officer or financial officer. When estimates are used the verification statement will so state. The exact reports to be submitted and reporting instructions as approved by the Office of Management and Budget will be announced to Native American grantees under separate order.

§ 632.42 Grant closeout procedures.

Grant closeout will conform to the requirements at 41 CFR part 29-70. As necessary, the Secretary shall issue supplementary closeout requirements.

§ 632.43 Reallocation of funds.

When the DINAP determines that reallocation is appropriate, it shall give the Native American grantee 30-day notice of proposed action to remove funds from the grant. Such notice shall include specific reasons for the action being taken, and shall give the Native American grantee the opportunity to submit comments on the proposed reallocation of funds. These comments shall be submitted to DINAP within 30 days from the date of the notice. DINAP shall notify affected Native American grantees on any decision to reallocate funds. The Grant Officer shall finally reallocate by modifying the CAP.

§ 632.44 Sanctions for violation of the Act.

(a) Pursuant to sections 164 (d), (e), (f), (g), and (h) of the Act, the Secretary may impose appropriate sanctions and corrective actions for viola-

tions of the Act, Regulations, or grant terms and conditions. Additionally, sanctions may include the following:

(1) Offsetting debts, arising from misexpenditure of grant funds, against amounts to which the grantee is or may be entitled under the Act, except as provided in section 164(e)(1) of the Act. The debt shall be fully satisfied when the Secretary reduces amounts allotted to the grantee by the amount of the misexpenditure; and

(2) Determining the amount of Federal cash maintained by the grantee or its subgrantee or contract or in excess of reasonable grant needs, establishing a debt for the amount of such excessive cash, and charging interest on that debt.

(b) Except for actions under section 164(f) and 167 of the Act, to establish a debt or violation subject to sanction and/or corrective action, the Secretary shall utilize initial and final determination procedures outlined in part 636.

(c) To impose a sanction or corrective action regarding a violation of section 167 of the Act, the Secretary shall utilize the procedures of 29 CFR part 31.

(2) The Secretary shall determine the liability of the grantee for misexpenditures of grant funds in accordance with section 164(e) of the Act, including the requirement that the grantee shall have taken prompt and appropriate corrective actions for misexpenditures by a subgrantee or contractor.

(3) Prompt, appropriate, and aggressive debt collection action to recover any funds misspent by subgrantees or contractors ordinarily shall be considered a part of the corrective action required by section 164(e)(2)(D) of the Act.

(4) In making the determination required by section 164(e)(2) of the Act, the Secretary may determine, based on a request from the grantee, that the grantee may forego certain collection
